## Hair & Makeup Artist

I have been a professional makeup artist & hairstylist in London since 2002 where I studied fashion and beauty makeup at the world renowned Glauca Rossi Makeup School. I have since worked with many celebrities, providing hair and makeup for commercial & advertising photo shoots and magazine/fashion houses. I am the lead fashion and beauty tutor at Brushstroke Makeup School in Longcross and Elstree Studios. I teach fashion and beauty makeup as well as the bridal makeup and hair styling course. I am the ITEC qualifications manager, and I ensure the beauty element of their ITEC syllabus remains relevant and focused. I've been teaching professional makeup courses since 2007 to hundreds of students who want to go into the makeup/hairstyling industry.
